

1DAY

to reach our world

WHAT ARE YOU WORKING FOR?

What are you working for?

Sure, you're working to keep your business running, to pay your people and your mortgage, feed your family, keep your car on the road, and so on. And it seems like everything in front of you will cost you something.

Is that all you're working for today?

What if **1Day**, you looked beyond your desk? What if **1Day**, you looked beyond your windshield? Beyond your front door? Beyond your income and expenses for **1Day**?

For **1Day—Tuesday, September 19**—we're asking you to consider working to reach people who have yet to hear the Good News of Jesus. On **Tuesday, September 19**, we're asking you to give **1Day's** salary to go beyond your front door and take the Gospel to the least-reached... **1Day**.

How can my business get involved?

1. Participate and Challenge

I can give **1Day's** salary on Tuesday, September 19th to share the Gospel with least-reached people and I will challenge 3 coworkers to do the same.

2. Challenge and Match

I can encourage 3 coworkers to give **1Day's** salary to share the Gospel with least-reached people and I will offer to match their contribution.

3. Design your own 1Day Challenge

I have a creative way to challenge my coworkers to give **1Day's** salary to share the Gospel with least-reached people.

To promote this with your coworkers and staff, we can provide you with a challenge video and materials to promote this within your business.

We want to ask your support in encouraging your coworkers to participate in the **1Day** campaign. Would you be a conduit to communicate the **1Day** challenge?
